REUNION COMMITTEE GETS BEST SPEAKER OF THE LAST CONGRESS TO HEAD LIST OF SPEAKERS

Statesman of National Fame, Brilliant Speaker and is a Veteran, Colonel of Second lowa Calvary

The Committee on speakers for the next annual reunion of the Southwest Veteran's Association in the city park here, is making a success of it this year. C. M. Beeson of the committee, has just been notified by Congressman Madison that Col. Wm. P. Hepburn, who was the best speaker in the House in the last congress, has accepted his invitation to attend the reunion at Dodge City. Mr. Madison writes that Col. Hepburn is what they call a "cracker Jack" in the west, and that he will make the greatest speech ever heard 'in the woods' [Wright's Park].

Col. Hepburn is known nationally at present as the author of the Hepburn rate bill, but in war times he was known as the colonel of the Second Iowa Cavalry and he will be among friends when he speaks to the veterans here. Aside from the fame he has won publicly, he is known among his acquaintances as a great man and a good fellow in gressman from one of the Iowa districts. Col. Hepburn would be a in the United States, and a better selection could not be made for the reunion if we could take our choice out of the whole Union of states.

Senator Cummins, ex governor o Iowa, is also expected to attend the reunion, but definite information has tively regarding Senator Cummins in a short time now.

The senators from Kansas have agreed to be here, and other members of the Kansas delegation.

This is going to be a great year for the reunion, and it will be a rousing meeting and the biggest event of the year in Western Kansas.
